

**Important information about your NELSON & DISTRICT CREDIT UNION
GLOBAL PAYMENT™ Mastercard®**

We are writing to inform you that your GLOBAL PAYMENT Mastercard card ("GPC Card") will soon be closed. You may be aware that CUETS Financial* provides certain financial services in connection with our GLOBAL PAYMENT Mastercard program and the relationship between Nelson & District Credit Union and CUETS Financial is ending. As a result, our credit union will no longer offer this product and **your GPC Card will be closed as of May 22, 2019.**

We appreciate this change may be unexpected, and we'll do everything we can to support you through the process. We encourage you to review your records and determine what transactions you may have associated with your GPC Card, to mitigate any potential impact once your card can no longer be used as payment option.

Things to consider before **May 22, 2019**:

- Pre-Authorized Payments or Debits coming from your GPC Card.
 - If you have regularly recurring bill payments set up—such as payments to vendors or for subscriptions, memberships, internet or utility bills—please contact the vendors or merchant(s) directly to arrange for an alternate payment method.
- Pre-booked reservations
- Future Point-of-Sale purchases
- Any plans to travel and replacement card options – we always recommend more than one card
- Ordering an NDCU Member Card debit card if you don't already have one
- Enquiring about our competitive suite of credit cards designed to fit your unique needs from cash back to US Dollar and everything in between

Please be aware that this does not impact your personal NDCU chequing account, this is only in reference to the GLOBAL PAYMENT Mastercard card.

Please make note of this change and prepare to discontinue the use of your GLOBAL PAYMENT Mastercard card before May 22, 2019.

Your membership and continued loyalty is important to us. If you have any questions about the above change, how we can support you going forward while ensuring you have the right payment options that fit your banking needs, please visit your community branch or call us at 877.352.7207. We apologize for the inconvenience.

Sincerely,

Thomas A. Murray
Chief Executive Officer
